The Power of the Presidency

Over the course of our country's history, the office of the President has been a defining force that captivated the imagination of the American people. Learn about the lives and legacies of our presidents and how they shaped the past and present of our country.

Engage in live interactive video discussions with presidential historians and national park rangers

Use primary source documents to understand our nation's presidents

All the power of the Internet2 community—
delivered to community anchor institutions across the country

REGISTER TODAY!

Sign up for the Presidential Primary Sources Project (PPSP) today. Hear directly from National Park Service rangers from historic sites about presidents like Abraham Lincoln, Theodore Roosevelt, and George Washington.

Share the presidents' stories with your students through primary source documents and interactive live video.

Program or Technical Questions?

Each participating classroom will need access to videoconferencing software or a room system operating at a minimum of 384kbps. An optional videoconferencing test with our planning team is available to all classrooms.
